## PRESS RELEASE

### **ICC Georgia Ranks #1**

#### **According to GBC Research (Georgian Business Consulting) ICC-Georgia Provides Most Efficient Work in Georgia as a business organization.**

The survey was conducted among the GBC subscribers, major part of them believe that the International Chamber of Commerce (ICC Georgia) provides the most efficient work among other business associations operating in Georgia.

150 respondents answered the question: which of the business associations provides most efficient work?

As a result 60.4 percent of the respondents believe that ICC-Georgia is the most efficient among other business associations.

20.8 percent voted for the Business Association of Georgia. 12.5 percent gave preference to the Georgian Chamber of Commerce and Industry (GCCCI), while 6.3 percent named the Georgian Employers Association (GEA).

The survey was made via internet that allowed only one vote per computer. The user structure of GBC subscribers is as follows: Top managers - 30%, middle-level managers - 33%, businesspersons -24%, students 7%, unemployed 5%, others 1%

GBC covers developments in the Georgian economy and business, It contributes to the promotion of Georgian business and creation of healthy information environment.

ICC-Georgia is the Georgian National Committee of the International Chamber of Commerce, a global business organization which unites hundreds of thousands of member companies from over 130 countries into a representative body which speaks with authority on behalf of businesses worldwide.
