**Dear Mr. Fady Asly**

ICC Lithuania expresses its grievances to the relatives of the victims of military actions in Georgia and likes to reiterate its strong support to the democratically elected government of Georgia and free Georgian nation and to express our solidarity with Georgian people.

We rejoice on our long-term bilateral relations with Georgia and we restate our readiness for further co-operation in business and economic sectors.

With kind regards,

**Algimantas Akstinas**  
Director General  
ICC Lithuania
